# The Carmelite Guild of St. Patrick's Home

## ABOUT THE CARMELITE GUILD

The Carmelite Guild was first organized in 1954 to assist the Sisters in raising funds and to carry on Mother Angeline's apostolate to the aged and infirm. The Servant of God, Terence Cardinal Cooke was the Guild's first chaplain.

## WHO ARE WE

The Carmelite Guild consists of a group of dedicated volunteers who provide programs and services to enhance the lives of our residents throughout the year. Guild members meet periodically to plan for upcoming events.

## MEMBERSHIP

We always welcome new Carmelite Guild members. There are no membership dues, but *a willing and giving spirit is much appreciated!* We are in need of volunteers to help sponsor activities that are enjoyable for our beloved residents. The Guild has occasional meetings to discuss and plan activities but attendance at these meetings is not required for membership.
